After ordering and viewing CD-Rom(s), if you would like to order slide duplicates or prints from particular images viewed on them, fill-in the photo identifying alpha-numeric ID numbers for the slides or prints desired in the boxes below. Where do you find these ID numbers?.. While playing a slideshow, right-click your mouse, and from the menu that appears, select "SHOW INFO". You will then notice a yellow information line at the bottom of the slideshow. The first four characters, such as "AC56", will be the identifying number for that particular slide appearing on screen at that particular moment. Simply make a list of the ones you wish to order below. **Minimum order: 25 prints or 100 slides.** Use more than one form if need be.
