MstP&SSteM / MSSteM&A "Soo LINE":

These are large blueprint reproductions of very old Soo Line blueprints, reproduced on a blueprint machine, in order to stay as true-to-form to the original material as possible. Scale plans of various Soo Line structures, all meticulously detailed, showing elevations and interiors / exteriors, floor plans, types of materials used, etc See prices below:

COAL & OIL HOUSE FOR DEPOTS 10' x 16' (1929)...19"x13"...\$6.
DEPOT 20' x 48': with Bill Of Material (1899)...30"x22"...\$6.
DEPOT: Tenney (1919)...30.5"x22"...\$6.
DEPOT: West Duluth (1916)....(set of 2 plans, 29"x22" each)...\$10.
OILHOUSE 14' x 20' (1905)...30"x15"...\$6.

NORFOLK & WESTERN:

All of these are very old, original RR-issue N&W blueprint plans of structures, folded, in mint condition. Many contain "bill of material" lists showing materials needed for construction. Most are in white line on blue. "(A)" = Includes a small track layout plan showing position of structure in relation to vicinity of trackage See prices next column:
