PASSENGER TIMETABLES

Most are standard 4" x 9" size. (Mcd) = Minor cover damage. (Scd) = Severe cover damage. (Mcw) = Minor cover writing. (Hcw) = Heavy cover writing. (Mcs) = Minor cover soil. (Bfb) = Bi-fold booklet. (#-pl) = The number of panels, if not a booklet. Some of the more recent additions to the catalog will also have a "1st", "2nd", "3rd" etc. This refers to the edition number. On the ones without this, I simply did not take the time to list them.

AMTRAK: A wide variety of national, route, and condensed passenger timetables are available, early 1970's to the present, along with many tour & travel-related brochures. Well over 1000 items to choose from, many only .25 to .50 c each. For a 5-page list of Amtrak-issue paper items, send a SASE, and 1 quarter.
